## Netnod news

Started building out our first “access switches”

- DWDM presence at InterXion, Telecity Bromma, Telecity Sköndal
- Now switches at Portlane Nacka, and looking at a few more

Starting work on a next generation Switch platform

Quite an uptake on 100GE ports

- Priced lowered and now (2x) 100GE-LR4 for 1 024M SEK (117k EUR) / year anywhere in Stockholm
