X-ARF
Extended Abuse Reporting Format

What it is?

Why do we need it?

How does it look like?

Where do we want to go?

Use Cases

Abusive Content Reporting

Sinkhole Cleanups

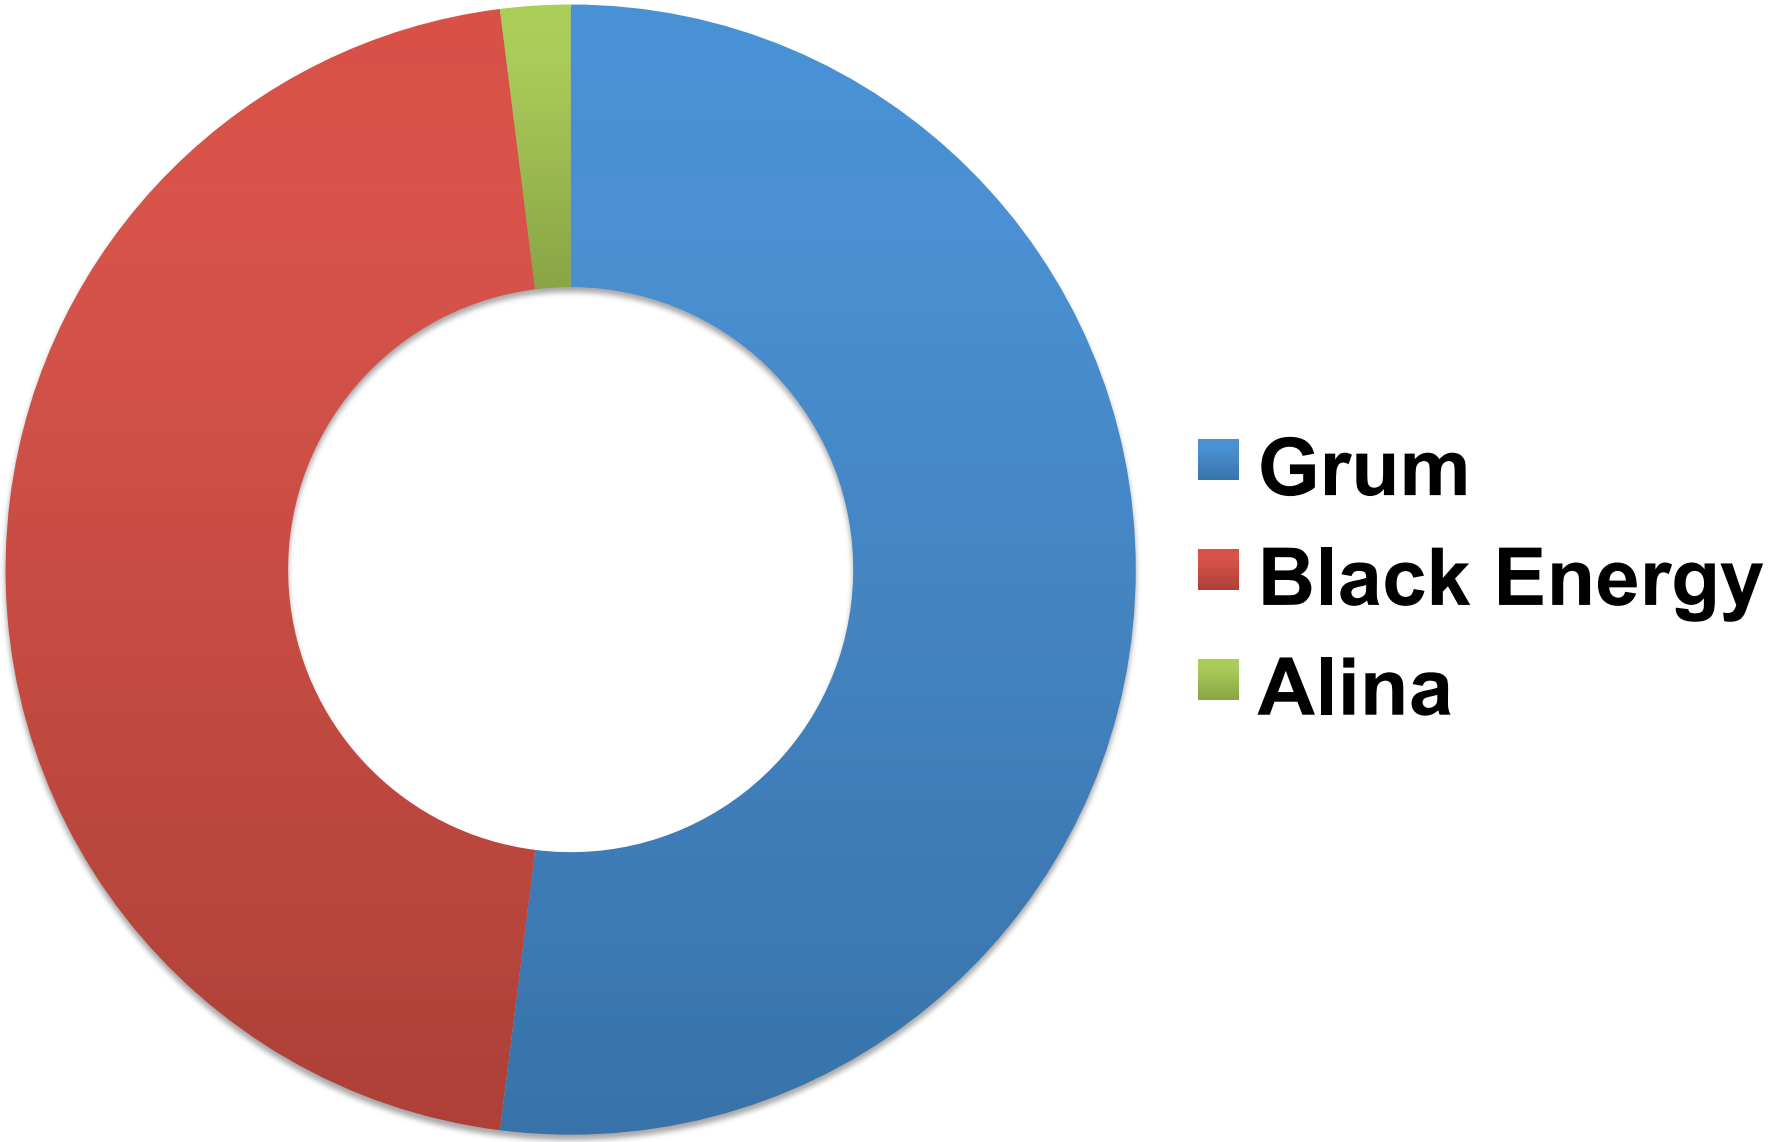
Use Cases

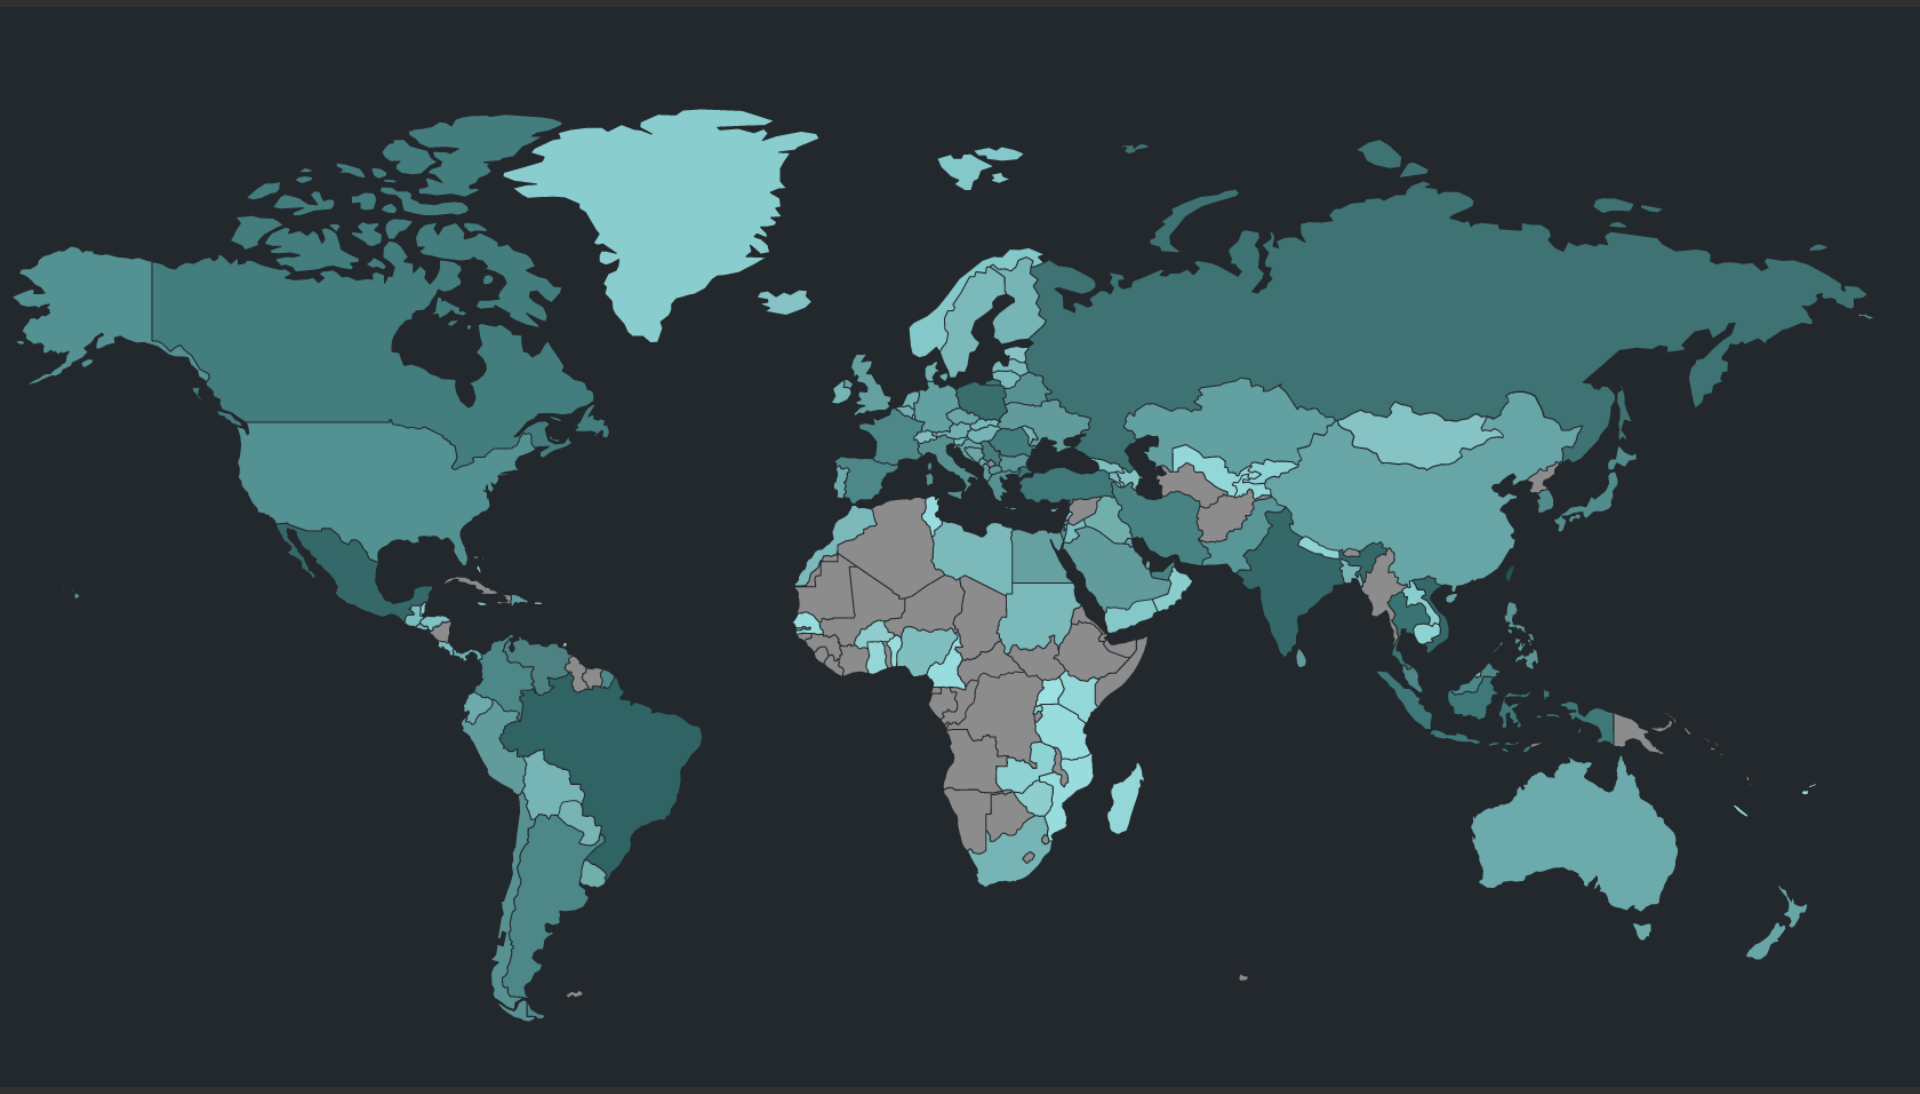
Law Enforcement

Attack Reporting

... and many more

Sinkholes





How do we report?

- Fetching logfiles on an hourly base
- Uniq IP addresses
- Package all information into X-ARF
- Lookup correct abuse contact
- Send report
