

RIPE ACADEMIC COOPERATION INITIATIVE

RACI@
RIPE 67
ATHENS / GREECE
14 - 18 OCT 2013

INTERNET OR NETWORKING ACADEMIC?

**SHOWCASE YOUR RESEARCH AND RECEIVE FEEDBACK FROM
INTERNET EXPERTS AT RIPE 67!**

THIS IS YOUR CHANCE TO:

- **Attend** RIPE 67 at the Athenaeum Hotel for FREE! RIPE Meetings are where Internet experts gather and discuss ideas, research and developments with the Internet
- **Present** your work to over 500 members of the technical community, including ISPs and network operators
- **Receive** valuable feedback about your research from industry experts and other academics
- **Network** with key players at free social events and lunches
- **Enhance** your career prospects by showing your research to influential companies
- **Learn** about Internet measurements and analysis, IPv6 deployment, Internet routing issues, network security and Internet governance
